STEP 4: ABOUT THE PERFORMANCE

Our experience tells us that fewer students at a performance allows for a better educational and interactive experience. There is no additional cost for additional performances – still only \$7.50 per student. We recommend 1 performance for 150–299 students, 2 performances for 300–449, 3 performances for 450–599 and 4 performances for 600 + students.
