Reports to: WA Education Coordinator as part of National Education Team
Location: Perth, WA
Appointment type: Contractor - multi-year contract 2027 days to be negotiated 0.3 - 0.4 FTE

Commented [AD1]: Still TBC

The Role

An exciting opportunity is available for an experienced and collaborative music educator to join Musica Viva Australia's National Music Education Residency Program, working alongside school staff to deliver high-quality music learning and build sustainable music programs in a primary school in eastern Perth.

This multi-year contractor role focuses on building teacher confidence and school capability through mentoring, classroom music lesson delivery and demonstration, curriculum support and professional learning. Working in partnership with the school community, you will help create meaningful and lasting music education outcomes for students and educators alike.

You will collaborate with school leaders, classroom teachers and Musica Viva Australia (MVA) staff to support the delivery of sequential music learning, mentor teachers and support staff, and help embed sustainable music practice within participating schools.

Skills Required

To be successful you will be able to:

- Demonstrate classroom music teaching activities, supervise lesson delivery, offer mentorship for staff at various levels of music teaching experience, and guide lesson planning for school staff in ways to embed music activities into weekly timetables
- Support the delivery of classroom music teaching for all year levels, including working with school staff to develop a music syllabus for each year group
- Support and liaise with schoolteachers and principals, and MVA staff in the preparation of music performances during the year.
- In conjunction with MVA staff, provide appropriate professional development for school staff

You will have:

- Demonstrated primary music teaching experience within the past 5 years.
- A strong music education background with experience developing and delivering music programs focused on achieving student outcomes.
- Ability to foster a positive and supportive classroom environment for learning.
- Excellent interpersonal and communication skills and the ability to work with children from culturally diverse and disadvantaged backgrounds.
- Orff Schulwerk or Kodaly qualifications (desirable).
- Experience training adults (desirable).

Your Benefits

This is an outstanding opportunity to join one of Australia's leading music organisations and contribute to meaningful, long-term change through music education. You will work as part of a passionate national education team, building strong school partnerships and supporting children and teachers to experience the benefits of quality music learning.

Our Organisation

Musica Viva Australia's vision is an Australia where chamber music thrives and where people of all ages, cultures and communities have access to, and learn to appreciate, the vital role of music in building a stronger, more creative world.

As one of Australia's most trusted music education providers, Musica Viva Australia reaches more than 200,000 students each year through performances, workshops and education programs across the country.

To extend and deepen the impact of our national education program in primary schools, Musica Viva Australia delivers a three-year Music Education Residency Program. Working with schools, located in areas of disadvantage where music is not readily available, the program provides an immersive introduction to quality sequential music learning.

Through the program, every child participates in active music-making, every teacher is supported to develop their confidence and skills in music instruction. Our goal is to help schools build the capability and resources needed to become self-sufficient in music education, ensuring that generations of children can experience the educational, social and emotional benefits of quality music learning.
